

“Suzie Boss has wed the work of schools to the work of prominent innovators, proving that these worlds are not far apart at all. . . . *Bringing Innovation to School* is filled with practical, easy-to-follow ways to change teacher and school practice. . . . We are lucky. Suzie has given us both a call for change and a blueprint for doing so.”

—From the foreword by Chris Lehmann

Are you preparing a new generation of innovators?

Activate your students’ creativity and problem-solving potential with breakthrough learning projects. Across all grades and content areas, student-driven, collaborative projects will teach students how to generate innovative ideas and then put them into action. You’ll take learning to new heights and help students master core content.

Benefits
